

# Summit Community Gardens

grow, learn, meet, celebrate!

## Help Launch a Community Garden in Park City

Be a part of defining the design, mission and structure of the new community garden near Park West Village with “round table” discussions in January. This community-wide project needs growers, locavores, builders, irrigation expertise, administrative and maintenance support and more. We welcome your input, enthusiasm, and talent.

### Please Join Us

**Wednesday, January 12, 7 pm to 9 pm**

Park City Library Building, Room 205

Or

**Thursday, January 13, 1 pm to 3 pm**

Summit County Library/Sheldon Richins Building Auditorium

at Kimball Junction

**about us** Summit Community Gardens is comprised of interested parties from Summit County, Basin Recreation, Park City Municipal, Park City Leadership Class 16, and community members. Plans are developing for a community garden on the Koleman Open Space property (Formerly Miss Billie’s Kids Kampus) across from the Canyons and next to Park West Village. As one of the first gardens, we hope to use it as a model to develop community gardens throughout Summit County in future years.
