Dear Mr. Poulsen:

Authorization is hereby given for the release of all funds from the escrow account for Silver Springs Subdivision 1A. This release of \$90,000.00, which has been held as a guarantee for the subdivision underdrain system, effectively terminates the agreement dated July 11, 1979 between Silver Springs Development and Summit County.

Authorization is further given for release of funds from the escrow account for Silver Springs Subdivision 1B in the amount of \$104,255.00. This release is also to cover satisfactory completion of the subdivision underdrain system. The release should leave a residual of \$5,000.00 which will be held pending completion of minor maintenance as indicated to the developers in Forsgren-Perkins letter dated May 21, 1982.

Please contact the Summit County Planning Office (336-2334) if you have any questions on this action.

Sincerely,

Bill Wallin, Chairman
