RE: Silver Springs Development

Dear Mr. Smith:

Our firm has been retained to represent the interests of the Silver Springs Homeowner's Association. We have been informed that Summit County and the Developer of Silver Springs ^{entered} entered into some sort of agreement pursuant to which the Homeowner's Association became responsible for the maintenance of its underdrains.

I would appreciate if it you would check your files and send me copies of any documents or memoranda relating to this matter and to the Silver Springs Development.

Thank you for your help.

Sincerely,

KATHY A. F. DAVIS
