

**Silver Springs Masters HOA**  
**Feb 12, 2007**  
**Minutes**

**Attendance: Rosemary Crayhill Les Carriel, Jerry Romeo, Robyn Bailey, Brenda Lake.**

1. **Billing dues:** Robyn reported that two HOA's have already paid their 2007 dues.
2. **Lake Progress:** The gates are all but finished. There is still a little bit of clean-up and landscape issues. We are holding back \$6,500.00 from Cross Marine until the job is complete. Matt Lindon inspected the gates and was really impressed He thought Cross Marine, Les and Eric did a great job and we got it done for a great price.
3. **Tennis Courts:** We will ask Skip ASAP to find out what the time table will be for this job.
4. **Other:** Brenda asked that we do something with the trash at the tennis park. She suggested that we have the cans removed during the winter. It is very hard to have them out with the snow. There were a few street lights reported out. North shore ct and Creek side. Robyn will call Canyons Electric. We were wondering what was up with North shore HOA and the county on the ditch situation. Robyn will call on it.
