Section 73-5a-501 of the Utah Code Annotated 1953, as amended, charges the State Engineer (The Utah Division of Water Rights) with the responsibility of inspecting dams in the state.

We have scheduled our inspections of the above-referenced dams for Tuesday, July 1, 2008, at 9:00A.M. We will meet at the Blue Roof Store. Please see that your representative has the keys and proper equipment to operate the outlet and gain access to any towers, wells or tunnels.

If you have any questions, scheduling conflicts or contemplate any problems with access to the site, please contact Ross Hansen at (801) 538-7397. Your cooperation will be appreciated.

Sincerely,

David K. Marble, P.E.  
Assistant State Engineer
