Re: *GRAMA Request*

Dear Mr. Noland,

This letter is in response to your March 16, 2009 request for records made pursuant to Utah's Government Records Access and Management Act, §63G-2-101 et. seq. While I understand that you are specifically seeking a gap in your historical record relating to the Silver Springs ^{EST} ground water system, specifically a correspondence between Summit County and the Silver Springs Homeowner's Association's attorney as referenced in Attachment #2 to your request, I could find no records in our Summit County Attorney's Office file that fulfill your request. I have, however, attached other records in our file that are public records that you may or may not have.

Please consider this the final decision of Summit County. You may appeal this decision within 30 days of the date at the top of this letter pursuant to UCA §63G-2-402. The appeal may either be to the State Records Committee by filing a notice of appeal containing your name, address, phone number, copy of any denial letter, and the relief sought or it may be appealed by petition to District Court (See UCA §63G-2-403 and 404). Should you have any further questions or concerns, please let me know. Thank you.

Sincerely,

Helen E. Strachan
Deputy Summit County Attorney
